ABOUT THE COLLEGE

CMR Technical Campus has been structured to take a quantum leap on the changing trends of technology. The need of setting up the college emerged when no other college could fulfill to the aspirations of a student in his/her endeavor to acquire wholesome education. The very strength of CMR Technical Campus lies in its principles of providing the right learning environment for the student who does not have to compromise throughout the learning process of becoming global citizen. Over the years since it has been established, there has been dynamic progress at CMRTC in all academic and research activities, and a spectacular improvement in facilities and infrastructure, to keep it on par with the best institutions in India. The campus epitomizes the Technical Campus motto, " Learning and Exploring" in providing the best of infrastructure and ambience. CMR Technical Campus keeps abreast of the global situation.

ABOUT THE DEPARTMENT

Department of **Computer Science and Engineering** has been established in the year 2010, presently handling B. Tech. course with an intake of 240 to meet the growing demands. The department has well qualified and experienced faculty and has established seven well equipped labs with 600 high end machines and 20 Mbps Internet connections. The department, under the guidance of **Dr. K. Srujan Raju** and other senior faculty members have been ensuring a steady improvement in

all-round performance. The students undergo Industrial training for 45 days. The college has MoU with companies like Redhat, Oracle, Microsoft, INSOFE, Unisys, etc. The department has ISTE and CSI chapters. The student chapters periodically organize Workshops, Guest Lectures, National Level Technical Events like Paper Presentations, Group Discussions, Projects Exhibition, Programming Contest to showcase the skills of students and teaching community. Students are participating in state and national level competitions and bringing laurels to the department.

THE SCOPE OF WORKSHOP

This workshop is meant for faculty members, M.Tech students and industry personals who are interested in research and publication.

- To understand structure and research proposals
- To follow the ethics in research
- How to do literature search by choosing a research topic
- How to use plagiarism checker to make sure your paper is free of plagiarism.

CONTENTS TO BE COVERED

- ★ Research and Decision/Action Problems
- ★ Importance of Problem Specification
- ★ How to write research proposals
- ★ Big Data problem
- ★ Various future innovations
- ★ Report generation, report writing, rewriting and proof reading and APA format
- ★ Demo on Network Security by NCS

RESOURCE PERSON

1. **Dr. S. Viswanatha Raju**
Professor,CSE,
JNTUH- Jagityala
2. **Sri K. Rajasekhar**
Deputy Director General
NIC- Hyd
3. **Dr D.V Ramana**
Sr Consultant
HP Global Soft Pvt Ltd.
4. **Dr. A. Raji Reddy**
Director, CMRTC

SPONSORSHIP CERTIFICATE

This is to certify that Mr./Ms.

_____ has successfully completed the workshop on **“RESEARCH METHODOLOGIES AND PREPARATION OF RESEARCH PROPOSALS ”** on 24th January 2015 organized by Department of Computer Science and Engineering, CMR Technical Campus, Kandlakoya(V), Medchal Road, R. R. Dist. during the day.
